How can I get access to my data?

Please send an E-Mail to: EUDataAct@vorwerk.com

What are the technical means to exercise my rights under the EU Data Act?

Upon receipt of your request, Vorwerk will review your request and, if relevant, compile the data you requested and make it available for download in a secure environment to which only you have access.

How long is the data stored?

The data retention periods depend on the data and on the use case. The data can persist for a few seconds (e.g. boot-up) until lifetime of the device (e.g. calibration data).
